31st August 2025

To the Admissions Committee,

I am writing to enthusiastically recommend Dr. Roopa Seshadri for your program. I have known Dr. Seshadri for many years and have consistently been impressed by her dedication, expertise, and significant contributions to the field of neuroradiology.

Dr. Seshadri completed her postgraduate studies in Radiology at St. John's Medical College, Bangalore, and subsequently pursued her Doctor of Medicine in Neuroradiology at the National Institute of Mental Health and Neurosciences (NIMHANS), Bangalore. For nearly a decade, she has been a leading figure in the field of neurointervention, with a particular focus on stroke therapy.

One of her most notable achievements was her instrumental role in establishing the entire stroke program at JSS Medical College in Mysore. This endeavor required not only deep medical knowledge but also exceptional leadership, organizational skills, and a commitment to improving patient outcomes on a systemic level. The program's success is a testament to her vision and hard work.

Dr. Seshadri is currently an active practitioner of neuro-intervention and stroke care in Bangalore. Her work has a direct and profound impact on patient care, and her skills are a valuable asset to the medical community. I am confident that her passion and expertise will continue to drive advancements in the field.

Dr. Sheshadri is a candidate with immense potential. Her experience, combined with her innovative spirit and proven track record, makes her an ideal candidate for any program aimed at advancing medical care. I am confident that she will be a valuable asset to your institution and will continue to have a significant impact on the field of neurointervention.

Please do not hesitate to contact me if you require any additional information.

Sincerely,

Dr. Mathew cherian,

Director of interventional radiology and chief of radiology services, Kovai Medical Center and Hospital, Coimbatore, India

President, Indian Society of Neuroradiology
